

Dear Dog Owners:

The State of Wisconsin requires that you have a dog license and have it vaccinated for rabies. **You must present a form signed by a veterinarian, for rabies, in order to get your license.** I will photocopy your forms for rabies and keep them on file. **Your dog license must be paid prior to April 1st of each year, or a late fee of \$20.00 must be charged.** (If your puppy is less than 5 months old on Jan. 1st, the license is 1/2 price, or if the puppy becomes 5 months old after July 1st, the license is 1/2 price). License year is January 1st through December 31st of each year. Please fill in the information and sign. Thank you.
